

Green Leadership Grants

ECO-SUMMIT PROPOSAL FORM

The *Green Leadership Grants* are designed to support Green Teams in hosting an eco-summit that showcases students' 'green' projects done throughout the school year. The proposed projects should benefit the school, focus on educating the wider school population and the community and teach behavior changes that benefit the environment. Learn more about hosting an eco-summit in the Activity Guidebook (pg 62/63).

Entry Guidelines

- Dream in Green offers two Eco-Summit grants of \$500 per school to 5th - 12th grade Green Teams to help them implement an Eco-Summit at their school to showcase their green accomplishments.
- Proposal must be written by Green Team student(s) and reviewed by the teacher champion.
- Schools that are rewarded a grant are required to submit a follow-up report after project completion.
- For grant deadlines please refer to the program's webpage:
<http://dreamingreen.org/green-leadership-program/>
- **Checks can only be made payable to the school or school PTAs. An invoice is no longer required. Grantee schools will be sent an email informing them of being selected and will be asked to whom shall the check be made payable to.**
- Submit all forms, documents, and questions to sophia@dreamingreen.org

Name of Green Team:

School:

Date:

Green Teacher Champion:

Project Summary: In no more than 2 lines (35 words), provide a summary of your project. We will use this summary to promote your initiative on our social media and newsletters.

Timeline: Your team will have 30 days to complete the activity and 45 to report back. What steps will your team take to comply with this schedule? What is the anticipated timeline for your project?

Budget Breakdown: You have \$500 to spend on your project, how will you spend this funding? Please tell us of the materials you plan to purchase or/and you may include transportation costs, equipment, entry fees, contractual or any other costs relating to the project. Dream in Green will not pay for teacher or student's time in the project.

Proposal Narrative: In no more than 350 words, describe the project in detail.

- How does the project fit with the monthly topic?
- What are your project goals?
- Who is the target audience? (i.e. other students, teachers, parents, community residents)
- What is the Green Team's plan in promoting the activity to educate the selected target audience about this monthly topic?
- What steps will you follow to successfully implement the project?

Project Evaluation: In no more than 250 words, tell us how you plan to evaluate your project. How will you track and measure your progress? What information will you send Dream in Green staff when the project is completed?
